

The *Parent Update* is a great way to keep the message of Christian education in front of your parents.

The *Parent Update* has been a monthly publication of the American Association of Christian Schools for more than 20 years. In September 2010, the *Parent Update* was changed from the 8 ½" x 14" format to a 5 ½" x 8 ½" format.

The new four-page size will give you more options to present timely messages on Christian education to your students' parents and other interested people. The *Parent Update* can be easily inserted into church bulletins, report card folders, and reenrollment packets. You will also find it easier to display the *Parent Update* in your school office.

The cost of providing the *Parent Update* to your parents is minimal when compared to the benefits your school and parents will receive from this very informative publication.
